Monster Employment Index India Rises 18% Year-over-Year

December 2012 Index Highlights:

- Index level rises 18 percent from a year ago in December
- NGO/Social Services and Media & Entertainment sectors pace all industries on the year. Production and Manufacturing continues to record double digit decline
- Demand among occupations up most for Arts/ Creative professionals, followed by Legal
- Baroda registers the strongest annual growth. Bangalore, Mumbai and Kolkata are the strongest annual gainers among major metro-markets

The Monster Employment Index India is a monthly gauge of online job posting activity based on a real-time review of millions of employer job opportunities culled from a large representative selection of career Web sites and online job listings across India. The Index does not reflect the trend of any one advertiser or source, but is an aggregate measure of the change in job listings across the industry.

“The Monster Employment Index India continues to exhibit double digit gains. The growth is the result of the confidence that Indian businesses have in the current economy.” said Sanjay Modi, Managing Director, Monster.com (India/ Middle- East/ South East Asia).

About the Monster Employment Index

Launched in May 2010 with data collected since October 2009, the Monster Employment Index is a broad and comprehensive monthly analysis of online job posting activity in India conducted by Monster India. Based on a real-time review of millions of employer job opportunities culled from a large, representative selection of online career outlets, including Monster India, the Monster Employment Index presents a snapshot of employer online recruitment activity nationwide. The Monster Employment Index's underlying data is validated for accuracy by Research America, Inc. – an independent, third-party auditing firm – to ensure that measured national online job recruitment activity is within a margin of error of +/- 1.05%. Monster has taken due care in compiling and processing the data available from various sources for Monster Employment Index, but does not guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or action / decision taken or for the results obtained from the use of such information.
